

Rule bender 45-0

Maximum capacity

Height: 50.00 mm

Thickness: 4pt

Rule bender 45-0

Rule bender 45-0 offers the same rational and exact rule bending technique as the well-known foot-operated bending machines 33-0.

As standard the 45-0 bender is supplied with male- and female tools, F0-5, totally 14 pieces. See below.

The bending machine is equipped with a fine threaded precision gauge.
